

WLA ACADEMY SCHOLARSHIP

CALL FOR APPLICATIONS

The World Lottery Association (WLA) is a member-based organization to advance the interests of State-authorized lotteries. Its vision is to be recognised as the global authority of the lottery business, to uphold the highest ethical principles, and to support our members in achieving their vision for their own communities. The WLA is committed to sharing knowledge and experience amongst its members and to provide educational and professional development services (conferences, seminars), information and reference services to our members and to improving their business in the interest of stakeholders as determined by the authorities in their respective jurisdictions.

The WLA Academy is a platform that offers a full program of seminars, workshops and round tables for top and mid-level managers as well as entry-level personnel. Throughout the year in different locations around the world, specialists from inside and outside the industry, including internationally respected academics, share their knowledge and insights to support the continuing education programs of WLA members. The WLA also offers to its members the possibility for lottery staff to attend educational offers through the scholarship program.

Exceptions

Participants may book business class flights at their own (or company's) expense. The WLA will, however, only reimburse the economy fare (an offer from the travel agency or online booking platform to be sent to the WLA office).

Additional nights: Based on the distance travelled and flight schedules, the WLA may approve of additional hotel nights – room and board. This must be discussed bilaterally with the WLA office prior to booking.

Incidental travel expenses: The Scholarship Program does not foresee reimbursements for any other travel related expenses. However, should there be a case for it, approval must be requested prior to commencement of the journey.

APPLICATION PROCEDURE

Each regional association (through their representative on the WLA Executive Committee) proposes one speaker/lecturer, a participating member, and a guest who is not a WLA member, subject to the proviso that the candidates are not from the region in which the seminar is organized, to participate in each of the WLA Seminars.

Candidates should fill out the WLA scholarship form, together with registration forms for the WLA convention/seminar & hotel and return these by email to academy@world-lotteries.org. Once the applicant receives an email confirming the acceptance of scholarship, he/she must request a quote for economy fare transportation and forward this to academy@world-lotteries.org prior to booking.

Details for registration, hotel nights and other information will be communicated directly via email to the participant.
